Additional Resources

Here are two great resources you might choose to use to supplement your child's learning through Seesaw.

The BBC are now running live lessons on BBC2 and on CBBC which follow the National Curriculum. They do not however, cover the specific topics your child's teacher has planned for them but they do provide another option for you to access.

The National Literacy Trust also has some excellent free resources you could tap into. Go to www.wordsforlife.org.uk and click on your child's age group then choose from a huge range of lovely activities.

Please bear in mind that your child should complete all tasks set by their Class Teacher on Seesaw. These are purely additional resources which you might like to take a look at but they in no way replace the work and activities provided by our teaching team.

Yours sincerely
