Dear Parent/Carer

14<sup>th</sup> September 2022

**Re: Dates throughout the year**

Please find attached a list of dates for events and activities across the school year. Obviously, in schools, things can change quite quickly and events may be either added, changed or cancelled.

This list has been put together to try to give parents as much notice as possible so that you can plan diaries, time off, childcare etc well in advance.

Not all events are included in this list as there are numerous things still in the pipeline or awaiting confirmation but I thought that this 'whole year plan' would be helpful. All events will have a more detailed letter issued nearer which will be on our website and you will be notified via text message when the letters are available.

I have also included dates for specific themed weeks such as Science Week and War Week. This may not include parents attending anything specifically but lets you know what your child(ren) is doing in school that week.

I really hope you find this information useful but if anyone has any suggestions or ideas for what would be even more helpful then please let me know.

Yours sincerely
