Dear Parent/Carer

Re: Increase in cost of school dinners

I am writing to let you know that when we return to school in September 2023, the cost of a school dinner will be increasing to £2.50 per child per day.

This price increase is beyond the control of the school and has been set by the school meal provider: Chartwells. The price increase is to reflect the increase in cost that they are experiencing from their suppliers.

Therefore, from Wednesday 6th September, the cost of a school dinner will be £2.50 per meal. If you pay weekly the cost will be £12.50 per week and if you pay half termly the cost for the first half term will be £95.00.

Please note that children in Reception, Year 1 and Year 2 are entitled to the Universal Free School Meal scheme and therefore this price rise will not affect children in those year groups.

Yours sincerely

Mrs D Cross
