Re: Ordering of School Hoodies

I am just writing to let you know that we ordered a couple of hoodies to check the sizing and they appear to be quite a small, tight fit. As such, Mrs Wilson will increase the size of the hoodie you have ordered if she thinks the one you have ordered will be too tight.

For example, if a parent has ordered a size 3-4 year hoodie but we know that this will be tight, we will change the order to a 5-6 year size.

I appreciate that some parents will already have made allowance for this and therefore your sizing will not be increased.

If you haven't submitted a hoodie order by the deadline of today, a hoodie has been ordered for every child in the school and therefore you can request your hoodie next week.

The company have advised us that the hoodies will be delivered at the beginning of the first week back after half term but you will be informed when they arrive and they will be sent home with your child. We will be unable to order any further hoodies and therefore before the hoodies are issued your child's name will be put inside them using a laundry pen to ensure they are not lost.

Please note that the Trust have also purchased hoodies for the staff team to keep them warm too! I am sure you join me in thanking the Trust for this level of support in our current circumstances.

Yours sincerely

Mrs D Cross
